WILSON AND TIGHE, VENUS

Interrogation of Parents and Brother of "E
Glas-tile Manufacturer: Otto Adolf NICKELMAN

Reference is made to WFOC, and two Sub-sections, dated 11 December 1944, Subject as above, wherein it is stated that a subject was interviewed regarding the location of her ex-husband, S. J. Horowitz, and his wife, MARY ANN. Two leads as to where Mr. & Mrs. Horowitz are given in this report - one in the family in Linn, and the other at Tipton, Iowa, at the residence of Mr. Horowitz, near Linn.

2. Attached hereto, in translation, is a report of
interrogation for this sub-section by the Staatspolizei, Linz,
concerning his parents and brother, Friedrich, all in Linz. This
report states in substance that J. W. H.'s parents also do not
know where he is located. His brother, Friedrich, likewise
does not know of his whereabouts. Friedrich further
states that he believes his brother Otto Alfred to be dead.
Since the latter is still over 18 years old, he made the statement at one
time that if Germany lost the war, he would kill himself.
Friedrich also states in this report that he presumes
that his brother, Otto Alfred, was not able to leave his
country for France, Czechoslovakia, at the time of the
surprise in 1938.

According to the results of the study of the members of the
Soviet Academy of Agricultural Sciences, the Soviet Union has

2. The end and object of Dr. Seftel's statement, I recall
that Adlai Stevenson could likely be captured by the proxy
United States authorities by following up the leads made
in said statement. Stevenson was the Chief of the Joint
Section of the embassy and at least partly responsible for
extraction of the embassy and at least partly responsible for
the ransom of about \$1,000,000. Jews.

S. It is recommended that this statement be turned over to the proper officer for action. Mr. Gestel has suggested that this name not be mentioned for fear of retaliation against his family by said Alchman.

SUBJECT: EICHMANN Adolf
SS-Obersturmbannfuehrer

SUMMARY OF INFORMATION:

This Agent has recently received through an intermediary the following information on Subject from Frau Baldur von SCHIRACH, who is reputedly a personal enemy of EICHMANN. Subject, a right-hand man of HESSLER and CG of the infamous Sonderkommando EICHMANN, a "jew-extermination" unit, is one of the most important war criminals still at large.

Subject, popularly believed dead, is living incognito somewhere in the Oberbayern area of Germany. The parents of his wife, named LIEBEL or LIBEL, are in a set of an Sicherheits-Abteilung in Linz, Oberoesterreich. His wife, with whom he is allegedly in contact, lives at present under her maiden name (as above) in Alt Aussee, Oberoesterreich.

AGENT'S NOTE:

Frau von SCHIRACH is reported to have received the information above from one Covert JAERI (fam.), during a conversation with him at Nurnberg. JAERI is not known to this office.

It is recommended that this information be brought to the attention of CIC, Oberoesterreich Section, and CIC, USFET.

RE: ROBERT WILSON

NAME UNKNOWN, ALLEGED

ROBISON WILSON: This alias of Subject and TV-44, alias of the
name of his wife, was adopted by Subject and at least
partially was used for the extenuation of
about 1,000,000 dollars.

Possibly alias of TV-44, which may be the American
name of the subject, since no whereabouts may be
obtained through his name. He has a small amount of misappropriated
platinum through his employment in the American Lips. This platinum
plated to the State (notional) and local, and Subject was subjected
to a disciplinary trial for his intervention in the trans-
action. Through this transaction the name of Subject's sweet-
heart may be determined, since the register of the Gewerbe Kam-
mer (Trade Chamber) in Mainz is not voluminous and a sale of a
small factory to the State can easily be located. The names of
the woman and the will he would serve as starting points for
the search for Subject, as Informant is convinced that he would
stay with his sweetheart and not with his wife, with whom he
entertained no intimate relationship.

OTHER DATES: Subject may be using as a Jewish immigrant in some
other country, since he has sufficient foreign
experience, knowledge, and access to Jewish identification
marks, and can be identified for a Jew. His command of
German and English is now quite well advanced, so he has not
used these languages for quite a long time. Subject is an excellent
pianist and used to sing and entertain in Upper Austria.
